First Use

Before moving furniture and décor onto your new floor, sweep, dust mop or vacuum the floor. Then lightly damp mop with well wrung mop.

Simple Protection

Wherever possible, use walk off mats at entrances and doorways. Non-staining floor protectors under heavy furniture, chairs, and tables are also a good idea.

Cleaning Dos

Neutral floor cleaner - nothing with a floor polish or detergent in it. We recommend Encore Care for Luxury Vinyl Flooring.

Cleaning Don'ts

Don't use treated dust mops, they may leave a residue. Don't use vacuums with rotating beater bars on hard surfaces. Avoid using mop and shine products and steam mops.

View specific cleaning instructions for each collection.
